

Guides for the Program Visitor

- As an ambassador of the Coast Guard and Auxiliary always act professionally and be courteous.
- Possess an extensive knowledge of the Coast Guard Recreational Boating Safety Program, federal, state, and local regulations.
- Provide information regarding public boating safety education programs, Vessel Safety Checks (VSC's), and membership in the Auxiliary.
- Distribute federal, state, and local boating safety materials approved for distribution by the RBSVP or Coast Guard including You're in Command (YIC), Waterway Watch (WW), and Maritime Domain Awareness (MDA).
- Visit every program partner each month (or at least once a quarter), to maintain open lines of communication with the US Coast Guard and the USCG Auxiliary.
- Wear the proper uniform (Service Dress Blue or Tropical Blue) and wear it correctly.
- Ask to see the person in charge (owner, manager, or supervisor) and introduce yourself as a Program Visitor.
- Set up or re-fill the literature racks with boating safety literature, public boating safety education information, and federal, state, and local regulation material.
- Encourage the use and display of the RBS VP decal by our program partners to help recognize their participation in the program
