

AUXNAV Advanced Coastal Navigation Class

Now is the time to take AUXNAV. The class will be conducted via the Internet utilizing webinars and a virtual classroom. The webinars will be lead by two instructors making use of video, live audio/chat, cameas ad other presentation materials. Each webinar will last approximately 90 minutes. The virtual classroom is a secure interactive website that will allow students to post questions and discuss problems, obtain helpful links and ancillary material, and get communication from the instructors.

Class schedule is: 7:30 PM to 9:00 PM CST, Monday and Thrusday evenings, March 1st through April 22, 2010.

Additional information will be sent to you when you register.
